## Bottled Beer Specials

**Wachusett Green Monsta Ale** A BIG PALE ALE with an awesome balance of Belgian malts with Fuggles and East Kent Golding hops.

**Whale's Tale Ale** An amber English style ale that has a nice balance between hops and malts. It is the most popular and versatile of Cisco's beers.

**Geary Summer Ale** The style of our summer ale is traditionally European, similar to a German kolsch: full bodied with a spicy hop tang and a rich, crystal clear golden color.

**Anchor Steam Summer** an all-malt beer, and over 50% of its malt comes from malted wheat. It is the ideal drink for beer lovers who appreciate tradition and character in their beer, but also seek a lighter, refreshing style, perfect for warm weather.

**Gritty's Vacationland Summer Ale** VSA is an Extra Special golden ale that's light in color but full-bodied, with a snappy hop finish. A bit of extra time in the conditioning tank rounds out and mellows the ale.

**Brooklyn Summer Ale** brewed from premium English barley malt, which gives this light-bodied golden beer a fresh bread-like flavor. German and American hops lend a light crisp bitterness and a citrus/floral aroma, resulting in a beer with a very sunny disposition.

## Draught Beer Specials

**Long Trail Pale Ale** has fruity hops notes and malt up front. The hops bitterness builds over sweet cereal and wheat toast malt notes. The hops give a resinous bitter kick with notes of lemongrass, pine and grapefruit. The finish has bitter hops over a background of sweet malt. The Long Trail Pale Ale has a medium body that is well-matched to the full flavor of this beer.
